The Oregon Extended Assessment (ORExt) is Oregon's statewide alternate assessment for students with the most significant cognitive disabilities and is based on Alternate Academic Achievement Standards aligned to Oregon's grade-level academic content standards. The assessment is administered in accordance with federal and state requirements under the Every Student Succeeds Act (ESSA) and is used for statewide accountability and reporting.

SECURITY NOTICE:

These materials are secure and may only be accessed and used during the official ODE-designated testing window. Possession, reproduction, or use of these materials outside the authorized testing period constitutes a **test impropriety** and must be reported in accordance with Oregon Department of Education assessment security requirements.
